Click **GET STARTED**.

DO101: Introduction to OpenShift Applications

Video classroom and online learning is free for a limited time

Red Hat® Training and Certification is offering Introduction to OpenShift® Applications (DO101) at no cost until June 30, 2020. This self-paced course gives you 30 days of unlimited access to the HD videos taught by our most experienced Red Hat instructors and our text-based course content. Additionally, you will receive 10 hours of hands-on lab time to help you build skills on real-world use cases.

This course is designed for developers with experience in application development and object-oriented programming. Using your own device, this one-day course will teach you how to deploy and update applications in an OpenShift 4 cluster and use the OpenShift 4 web console to build, deploy, troubleshoot, and scale applications.

**Course content summary**

- Manage application source code with Git
- Develop applications with VS Code
- Deploy an application to OpenShift
- Update an application
- Configure application secrets
- Scale an application
- Troubleshooting and fixing an application

**Technology requirements**

- This course is a bring-your-own-device training
- You must be able to install software onto your device
- Internet access is required

Don't miss your chance to take advantage of this limited-time offer. Login to redeem this offer for free.

DO101: Introduction to OpenShift...

1 / 4

**Step 2:** Click **LOGIN** to access Red Hat LMS using your redhat.com (RHL ID) login ID.  
(Do not have a Red Hat Login? - [Get one](#))

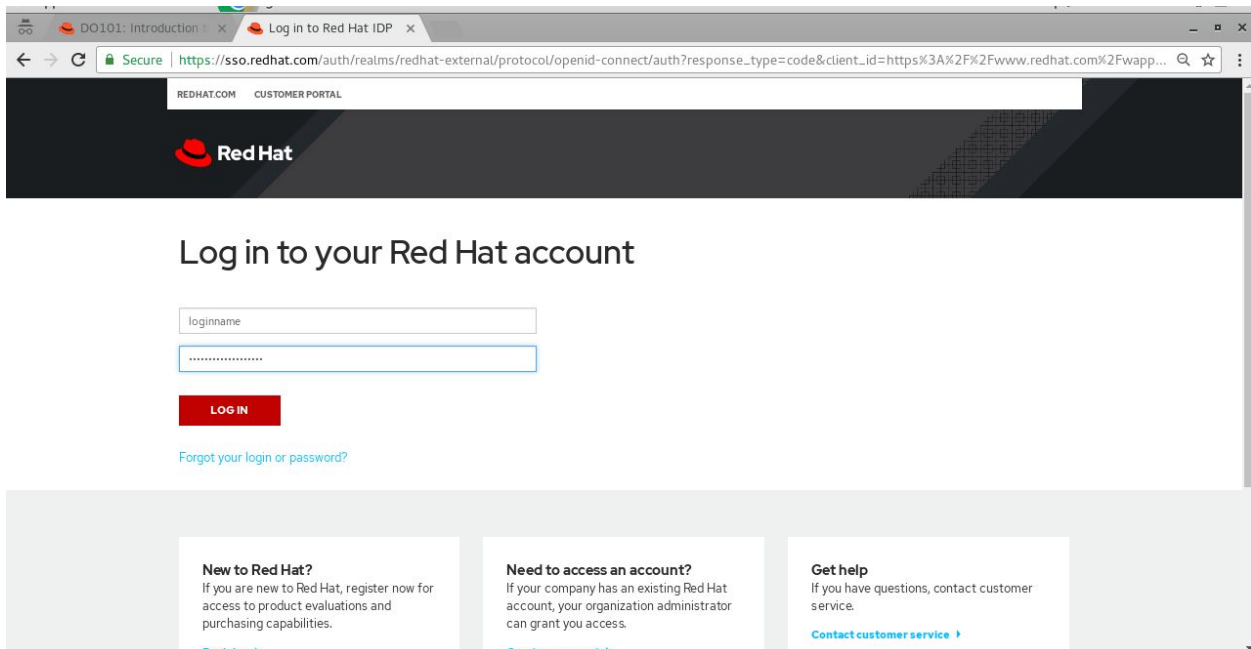

The screenshot shows the Red Hat Training Shopping Cart page. At the top, there's a navigation bar with 'REDHAT.COM', 'CUSTOMERS', and 'PARTNERS'. A shopping cart icon with a red notification bubble is on the right. Below the navigation bar, a 'Shopping Cart Items' pop-up shows a course titled 'Introduction to OpenShift Applications (DO101R LOGIN for FREE ACCESS)' with a price of '1x USD 765.00'. The total is 'USD 765.00' with a 'Checkout' button. Below the pop-up, a progress bar shows the steps: Shopping Cart (active), Address, Payment Method, Place Order, Select Students, and Confirmation. A green banner states 'Course has been added to your shopping cart'. Below this, a message says 'This page shows you a list of items selected for purchase. To continue, click on the 'Login or Register' button below.' A table lists the items:

Product Name	Quantity	Unit Price	Amount	Action
Introduction to OpenShift Applications (DO101R LOGIN for FREE ACCESS)	1	765.00	765.00	

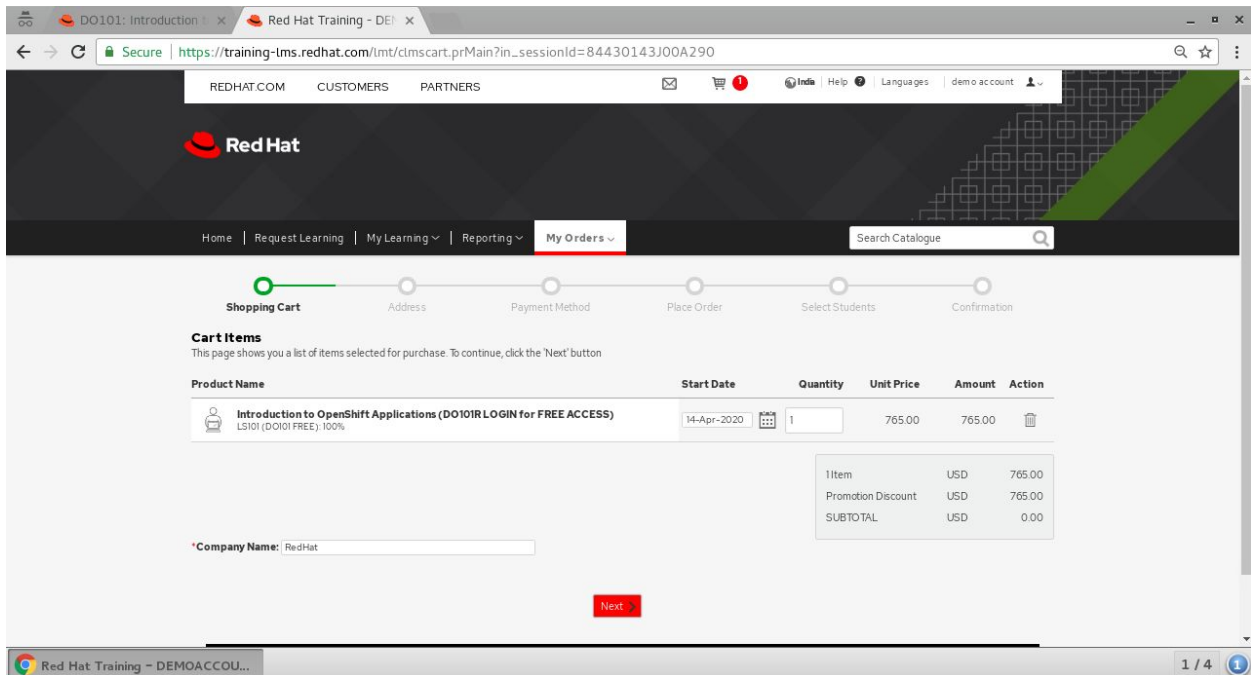

Below the table, a 'SUBTOTAL' row shows 'USD 765.00'. At the bottom, there are 'Login' and 'Register' buttons. The footer includes copyright information, links to Privacy Statement, Terms of Use, Training Terms and Conditions, and All policies and guidelines, along with a 'RED HAT SUMMIT' logo.

**Step 3:** Enter your RHL login ID and password

The screenshot shows the Red Hat login page. The header includes 'REDHAT.COM' and 'CUSTOMER PORTAL'. The main heading is 'Log in to your Red Hat account'. Below this, there are two input fields: 'loginname' and a password field (masked with dots). A red 'LOG IN' button is positioned below the fields. A link for 'Forgot your login or password?' is located below the button. At the bottom, there are three sections: 'New to Red Hat?' with a 'Register' link, 'Need to access an account?' with a 'Create new user\*' link, and 'Get help' with a 'Contact customer service' link.

**Step 4:** Click NEXT to proceed. (Provide your company name in the text box, if not prefilled)

## Step 10: Click COMPLETE ORDER.

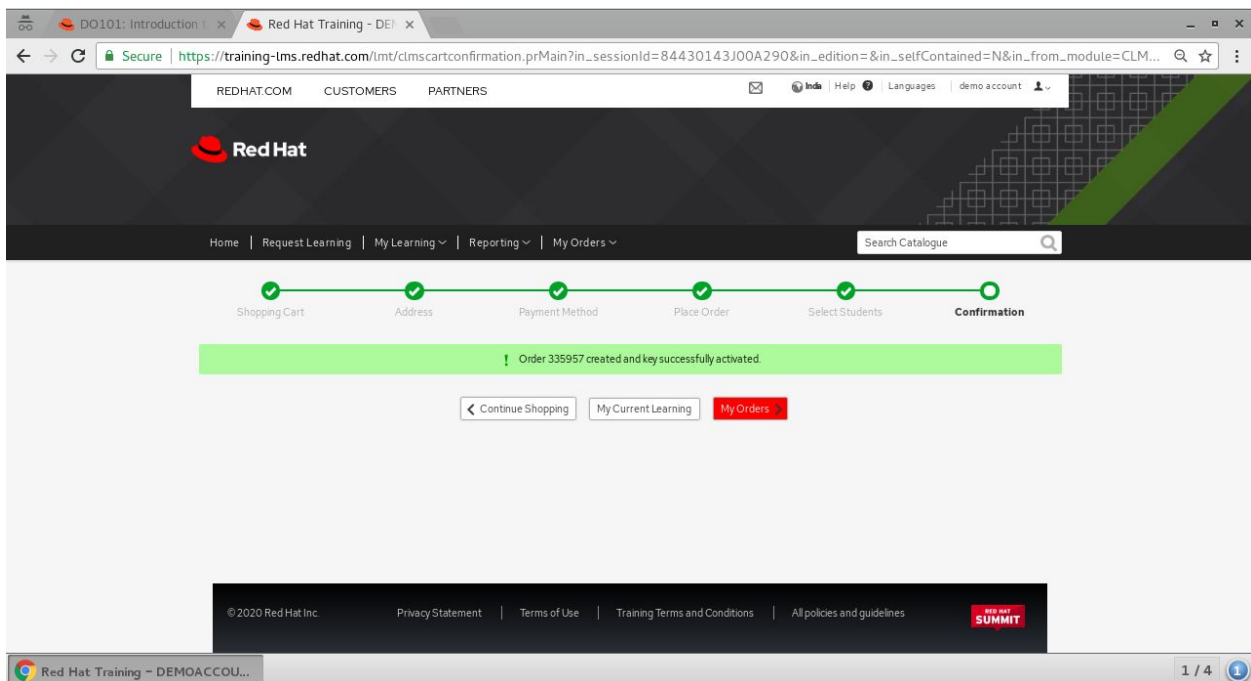

The screenshot shows the Red Hat Training checkout process at the 'Select Students' step. The progress bar at the top indicates the following steps: Shopping Cart (checked), Address (checked), Payment Method (checked), Place Order (checked), **Select Students** (active), and Confirmation (pending). Below the progress bar, the heading 'Select Students' is followed by the instruction: 'Please assign students for each product (either Assign Self or Assign Others)'. A table lists the products and their allocations:

Product	Allocation	Action	Assigned Students
Introduction to OpenShift Applications (DO101R LOGIN for FREE ACCESS)	1 / 1 USD	Assign Others   Assign Self	@ demo account

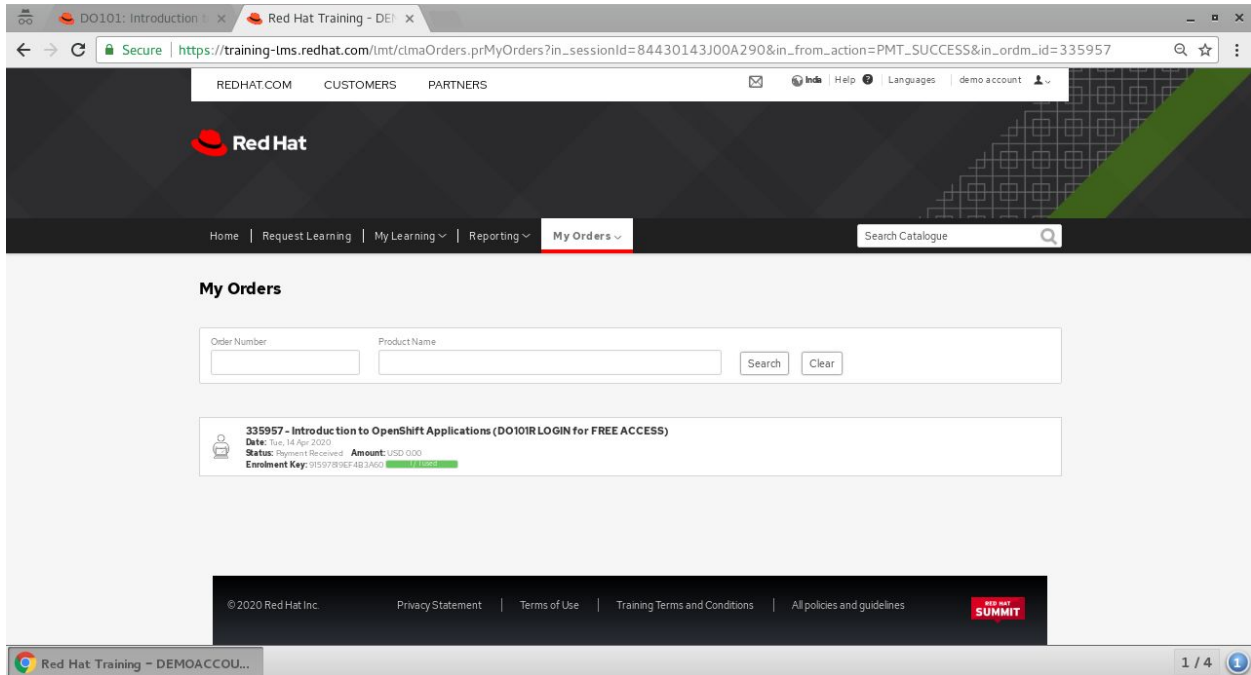

Below the table is a red 'Complete Order' button. The footer includes copyright information for 2020 Red Hat Inc. and links to Privacy Statement, Terms of Use, Training Terms and Conditions, and All policies and guidelines. A 'RED HAT SUMMIT' logo is also present.

## Step 11: Click MY ORDERS to see your order

The screenshot shows the Red Hat Training checkout process at the 'Confirmation' step. The progress bar at the top indicates the following steps: Shopping Cart (checked), Address (checked), Payment Method (checked), Place Order (checked), Select Students (checked), and **Confirmation** (active). A green banner message states: 'Order 335957 created and key successfully activated.' Below the banner are three buttons: 'Continue Shopping', 'My Current Learning', and 'My Orders' (highlighted in red). The footer is identical to the previous screenshot, showing copyright information and links to various policies and the 'RED HAT SUMMIT' logo.
